T1002V FEATURES

OPTIONAL ALUMINIUM 3 PART LUGGAGE

A set of hard aluminium luggage consisting of x2 side panniers and a top box with mounting frames can be added to the T1002V for £1199 but for a 'Limited offer' the luggage can be added for just £599!

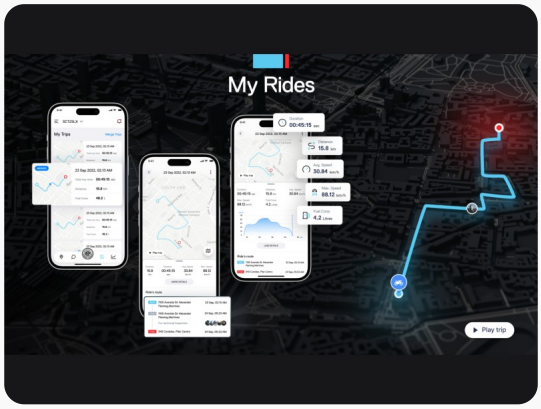

INTELLIGENT RIDE MODES

The T1002VX offers four adaptable riding modes for various conditions: Standard, Sport, Rainy Days, and Off-Road. These modes adjust throttle response, traction control, and braking to deliver a personalized experience for riders, whether in the city, on the highway, or off-road.

COMFORT WITH A HEATED SEAT, HEATED GRIPS AND CRUISE CONTROL

Long-distance comfort is a priority on the T1002V. With cruise control, heated seat and grips, this model ensures that riders stay warm and comfortable even during cold weather or winter trips, enhancing the overall riding experience in any climate condition.

MORBIDELLI CONNECT: SMART CONNECTIVITY FOR THE MODERN RIDER

With the Morbidelli Connect system, riders can stay connected to their motorcycle via a mobile app. This system uses 4G connectivity to access real-time data, such as the bike’s location, engine performance, and ride statistics. It also includes security alerts for unauthorized movement and the ability to share routes with other Morbidelli Connect users, ensuring a safer and more connected riding experience.

HIGH PERFORMANCE BRAKING SYSTEM WITH ABS PRO

Safety is a priority with the T1002V's braking system. Equipped with dual 320 mm floating front discs and a 260 mm rear disc, both supplied by J.Juan, it delivers superior braking power. Additionally, the Bosch ABS Pro system, designed for stable braking in curves, enhances safety during emergency stops and on complex terrains.

ALUMINIUM BELLY PAN

The standard robust aluminium belly pan provides protection and peace of mind whilst you're taking on an adventure

HEIGHT ADJUSTABLE SCREEN

The screen is adjustable for height and can easily done via 2 over centre catches, mounted to the frame on the rear of the screen

FULL LED LIGHTING

The headlights, indicators and tail lights are all fully equipped with LED technology ensuring optimal visibility in all circumstances Headlights are equipped with DRL's for added visibility

COMFORT SEATS

The T1002 is fitted with individual Rider and Pillion Comfort seats for All day in the saddle comfort. Waterproof and none slip seat covers. The rider's seat is Heated as standard

FULL COLOUR TFT DASH

Large 7 inch Full Colour TFT Dash The dashboard is easy to read has day and night illumination modes and offers a wealth of useful information such as speed, engine revs, engine temp, ambient temp, gear indicator, fuel consumption, rider mode and tyre pressures. Either side of the dash are a 12v cigarette type socket and a dual USB B / C ports for charging accessories.

EXCLUSIVE 80-DEGREE V-TWIN ENGINE

The T1002V is powered by a 997 cm^3 80-degree V-Twin engine, delivering 87.2 hp at 7500 rpm and an impressive 89 N·m of torque at Only 5250 rpm. This configuration not only provides smooth, progressive acceleration but also ensures optimal performance on paved roads, offering the perfect balance between power and control on every ride.
